

## Touching Lives-Making a Difference

*"Im glad to see such an innovative program in place..."*

I just wanted to write and commend you for providing such a wonderful service for all those in need of low cost food. So many people go hungry in this country and I'm glad to see such an innovative program in place that will help so many people. I hope to be able to purchase some boxes to donate to all those in need. Thank you again for developing and running such a great program!  
S.H.

### *"Your Food makes a difference"*

I wanted to thank you for your ministry of food. I am very grateful that I am able to benefit from your ministry. Your food makes a difference in my life and that of a neighbor of mine. We share a box and we are both enjoying it.  
D.A.V.

### *"The people were so friendly ... It made us want to try the church"*

A few months ago we heard about Angel food Ministry and decided to try it. We found your church to be the closest to us so we ordered. I can't tell you what a blessing it has been to our family. Now our family in other states are participating. The people were so friendly and helpful we thought we would try the church. We are now members and absolutely love it. Thanks you for providing this ministry!
