

BUILD IT YOURSELF!

You don't have to use a drawstring bag...Next time you're at the grocery store or dollar store, pick up the following items, and anything else you think would be a blessing for someone unsheltered and living on the streets, put them in this bag, and bless the next unsheltered person you see!

- Pair of Socks
- Pop Top Meal or other shelf-stable snacks/meals that do NOT require cooking
- Bottle of Water or Gatorade
- Washcloth
- Soap
- Toothbrush
- Toothpaste
- What else would be a good news item?
