Title: “Taste and See”  
Key Text: Matthew 6:10

Target: As we wait for the fullness of the physical Kingdom of God to come to this earth, we move in confidence that the Kingdom of Jesus is advancing in us. However, in our limitations, frailty and weakness, the “model prayer” shifts to a need for His provision to sustain us. The question is what is that provision?

I. Recognize your Desperation: “give”
   - I don’t have it
   - I can’t find it
   - I can’t buy it
   - I can’t get it

II. Reveal your Desire: “us”
   - Believers: God’s people
   - Blessers: (not a word, but it works)

God is looking for people to pour out His blessing on so that they might be a blessing with the blessing, for the sole purpose of others blessing the God who blessed you.

III. Renew your Diligence: “This day our daily”
   - Complacent: Indifference

The daily tension between becoming complacent or content towards a God of provision rests upon the fault line of presumption.

   - Contentment: Inheritance
   God is sufficient for today, and sovereign over tomorrow!

IV. Receive your Deliverance: “Bread”
   - He is my Staple
   - He is my Sustenance
   - He is my Satisfaction
   - He is my Security

Special Note: John 6:19-21: He holds, He blesses, He breaks, He multiplies, and He allows others to pass it out to be the blessing.

“Christianity is one beggar telling another beggar where he found bread”.
- D.T. Niles

Application: Ask these two questions:
1. If I received what I asked for would it cause others to be blessed?
2. If you received what you were asking for would it cause you to be more dependent upon God or cause you to become self-sufficient?
