Title: “3rd Watch”
Text: Matthew 25:14-30

Target: The priority of investment begins with a simple framework of understanding the product of Investment, the profit of Interest, the possibility of the Indefinite, and the point of Involvement. Therefore, Jesus through teaching of a parable concerning property, possessions and percentages, allows us to understand the expectation of His greatest asset of worth, and that is YOU. It’s understandable that you may not feel like you are worth investing in, but Jesus thinks otherwise.

I. The ______________ of Investment: Matthew 25:14-15
   • YOU ARE HIS ______________:
     A. Under His Authority (vs. 14) “Servants”
     B. Oversee His Assets (vs. 14) “Entrusted”
     C. Equal to Ability (vs. 15) “Gave”

II. The ______________ of Interest: Matthew 25:16-18
   • YOU HAVE ______________:
     A. Knew Where to Go: (vs. 16) “Traded”
     B. Knew What to Do: (vs. 17) “Made”
     C. Knew NOT Who to Be: (vs. 18, 24-25) “Buried”

III. The ______________ of the Indefinite: Matthew 25:19
   • YOU NEED ______________:
     A. His Return is Unknown: (vs. 19) “After a Long Time”
     B. His Reckoning is Individual: (vs. 19) “Settled Accounts”

IV. The ______________ of Involvement: Matthew 25:20-23
   • YOU ARE HIS ______________:
     A. Distinction of the Remarks: (vs. 21, 23) “Well Done, Good and Faithful”
     B. Distribution of Rewards: (vs. 21, 23) “I will set you over much”
     C. Declaration of Rejoicing: (vs. 21, 23) “Enter into the joy of your Master”

Take Away: “God has given all of us something to manage, such as money, time, gifts, and opportunities. None of us are empty handed” - K. Foreman

MISSION MOMENT

A team of 12 CBC Members are currently serving on the mission field in Brazil! Thank you for praying for this incredible team as they have been giving of themselves in sharing the gospel with those in need both by words and actions. This team’s primary focus has been to scatter Gospel seeds among the thirsty people in Carajas, Brazil whom are in need of truth and encouragement. Their day to day activities have included ministry at a center for at risk, orphaned and children rescued from domestic violence, in a recovery facility for adults who are overcoming chemical dependencies, and on an indigenous reservation in an area called Mata Azul. Pray for this team as they finish strong on the mission field. Pray for the Holy Spirit to move mightily in Brazil and that the team would return safely in the next few days.
