

Title: "Why not you?"

Text: Judges 6:11-24

Target: We all have the tendency to believe the very best for everyone else around us, while often times failing to believe what we are actually telling other people.

Therefore, what you may think is your personal limitation actually can become your prolific liberation!

 - a. Reassures through Fire:** *"And fire sprang up from the rock"* (Vs. 21)

 - c. Reaffirms His Faithfulness:** *"Peace be to you. Do not fear; you shall not die"* (Vs. 23)

Take Away: The tendency is to hear a message, process a message, even take notes from this message, but not place yourself in the message. My prayer for you today is that everywhere you see the name Gideon you would replace his name with yours and know that the same God that met with Gideon is that same God that wants to meet with you.
