Mission Moment

Thirteen CBC members recently returned from a life-changing mission trip to Israel. There, they served one of CBC’s ministry partners, Harvest of Asher, a messianic congregation in the city of Akko (located in Galilee). Members of the team served at a community center for senior adult women, prepared and served food at a soup kitchen, spent time with residents at a nursing home, played with children who attend a school for those with special needs, and assisted in the home of a single mother in need. Many on the team said they would never be the same after this trip. God moved in mighty ways and CBC is excited to see its new relationships in Israel develop as we continue to send teams to serve.
