

COMMUNITY BIBLE CHURCH

CBC STUDENTS PRESENTS

MIDDLE SCHOOL CAMP

AT CAMP TEJAS
JUNE 12-16, 2019

PARENT PACKET

COMMUNITYBIBLE.COM/CAMP

Summer camp at CBC is a time of excitement, challenges, outrageous fun, and memorable moments for kids of all ages! Ultimately our goal is to provide an opportunity for our campers to deepen their walks with the Lord through discipleship, Bible study, and worship. We are so excited that your student will be joining us this summer!

Parent Information

Day of Departure – June 12th

Campers should begin checking in by 8:00 a.m. on June 12th. Lines for check-in will be in the main foyer and are designated according to the camper's last name. Campers will receive their name badges and luggage tags.

After luggage tags have been labeled and assembled to your camper's luggage, please have them load their luggage on the bus and find a seat.

*Please do not arrive earlier than scheduled. Doors will not open until 8:00 a.m. We want our staff and volunteers to be 100% ready for your student.

Buses will depart at 8:45 a.m.

Day of Return – June 16th

We will return to CBC by 3:00 pm. Occasionally there may be slight delays due to traffic or weather. Please know that we will have staff members available in the CBC foyer who will keep you informed of any delays in our arrival. Please help your student unload their luggage from the bus upon their arrival. Before you leave campus, please make sure that you have all of your student's belongings! Please check with the nurse at this time for any remaining medications (inhalers, epi pens, etc.)

Themed Nights

We will have a themed night each night at camp. Students are encouraged to dress up and participate. We will have final details for each night at the Parent Meeting.

Health Information

We have a fully trained medical staff on site 24 hours a day in a well-equipped facility. We hope that your student will never need to experience our nurse's station; but if they need us, we are here to help them get back on their feet! We are committed to calling you if there is ever an issue that affects your student's camp experience. This would include the following circumstances.

- ▶ If your camper needs to spend the night in the clinic.
- ▶ If your camper needs prescription medication.
- ▶ If your camper needs to visit a doctor in town, get x-rays, or lab work.
- ▶ If your camper's schedule must be changed due to an illness or injury.

Health Forms

If there are changes to your student's health condition or medications after the registration form has been completed, you may update information on the "Camper Medical Info" form included in the parent packet during the parent meeting.

Medications

Campers are not permitted to keep any medications in their cabins or in their possession. There is no need to bring over-the-counter medications as we keep such items in the nurse's station. A designated medical professional will be available to dispense any over-the-counter medications as needed. Prescription medications must be brought to the nurse's desk at check-in the morning of departure. We will not be accepting medication at the parent meeting.

We prefer that prescription medications be in blister packs with only the amount needed for the camper's length of stay at camp. If you are unable to obtain blister packs then we require that all medication be in the original prescription bottle with the original prescription on the outside and only the amount required for camp. Please give your student any morning medication for the day of departure. Once we arrive at camp, it takes several hours to get our medical stations and prescriptions ready for dispensing.

If your student must carry an inhaler or other emergency items, we must have a doctor's note allowing for this exception. When camp is over, please make sure to pick up all remaining medications from the nurse, including inhalers and epipens!

Health Information (cont.)

Allergies

All allergies should have been noted on the medical portion of the registration form to include allergies from stings, foods, medicines, etc. If you are unsure of what you have completed on the registration form, you may simply complete the "Camper Medical Info" form included in this packet and we will ensure it is listed on your student's registration form. We can provide special dietary needs for those campers that are under medical supervision or an allergic reaction is known.

PLEASE DO NOT SEND

- ▶ Over the counter medications except maintenance medications that are taken daily such as Zyrtec.
- ▶ Any vitamins or supplements that you student can be without for 3 days. Our medical team's first priority will be prescription medication.
- ▶ Your student to check in if they have been running fever in the last 24 hours. Please let us know that you student is ill and we can make arrangements for a late arrival to camp.

- ▶ prank materials
- ▶ comics or magazines
- ▶ knives of any kind*
- ▶ alcohol/tobacco/drugs*

**Students bringing these items will be immediately sent home.*

Cell Phone Policy

Cell phones will NOT be allowed at camp. If a camper brings one to camp, the counselor will turn it into CBC staff and it will be returned to the student when we arrive at the CBC campus. **NO EXCEPTIONS!!**

Lost Items Policy

If your camper should not return home with all of his/her belongings, we will have lost and found items at the weekend services the first weekend they return home from camp. After that time, items will be donated. *Please make sure to label all items with your student's name.*

Middle School Camp Rules

**Parents - please review these rules with your student*

Middle School Camp is a place for lasting friendships that will challenge and encourage you. We want to foster an environment where that can happen. To help ensure this goal, each participant's safety, and that we honor God in all that we do, please follow these three simple guidelines:

1. SHOW RESPECT

to other people

to our place

2. BE WHERE YOU ARE SUPPOSED TO BE

follow the schedule

don't go outside the boundaries

3. NO PURPLE

boys=blue

girls=pink
