The world spends trillions of dollars each year on healthcare, vitamins, diets and exercise, and yet the death rate still remains at 100%, and the average life is 71.

“Seventy years are given to us! Some even live to eighty. But even the best years are filled with pain and trouble; soon they disappear and we fly away.” (Psalms 90:10)

But where do we fly away to?

What happens when we die? Three prevailing ideas throughout history:

1. Nothing.
2. Reincarnation.
3. Heaven or Hell.

What did Jesus say about Heaven and Hell?

You must be born again. (John 3:3-16)

If you died tonight, where would you like to spend eternity? The dirt, recycling or Heaven?

Trust Jesus now. (Romans 10:9-13)

A PRAYER OF SALVATION

Lord Jesus, today I trust You. I accept your forgiveness for all my sins. Fill me with your Spirit. Teach me from your Word and give me the power to live for you from here to eternity. Amen.

▶▶ MISSION MOMENT

A CBC Member Story: What talents, skills or hobbies do you possess that would allow you to reach others and establish relationships outside the Church? What would it look like for you to regularly and genuinely engage with that group of people? Elsa found the answers to these questions when she leaned into the places God was calling her. When a mission trip to Columbia didn't work out, Elsa and her team members decided they still wanted to serve together that week. If they weren't going abroad, they wanted to see where God could use them in San Antonio. During those 7 days, God led Elsa down a path where He ultimately equipped her to lead others in serving and engaging our homeless community with **Church Under the Bridge**. God continues to connect Elsa to people where her skills and heart allow her to help others and glorify God. Our Creator has designed each of us uniquely and will use each of us. **To whom, and to where, is God calling you? Visit cbcmissions.com for information and opportunities.**
