**MISSION MOMENT**

**MOLDOVA:** Moldova may be the poorest country in Europe, but it is filled with opportunity and wonder. For many years, CBC has partnered with Kishinev Bible Church (KBC) in the capital city of Chisinau. Since its founding in 1993, KBC has experienced dynamic growth in the face of persecution from the state-run, Eastern Orthodox church. CBC Global is now linking arms with KBC in planting 3 new churches, 2 in the capital and 1 in the southern part of the country. Recently, these 3 church families hosted a men’s seminar with 60 attendees, which is a smashing success for an evangelical community in Moldova. This summer, CBC is sending 4 teams to help support these church-planting partners and we would love to invite you to prayerfully consider being a part of these short-term mission trips.
