TEXT: Jonah 1-3

TARGET: For every individual follower of Jesus there is a call to be a part of God's mission for the world. The goal of this message is to see yourself in the story of God for the salvation of the world.

I. Empathy:

"When he saw the crowds, he had compassion on them, because they were harassed and helpless, like sheep without a shepherd." **Matthew 9:36**

II. Expectation:

"Now to him who is able to do immeasurably more than all we ask or imagine, according to his power that is at work within us, to him be glory in the church and in Christ Jesus throughout all generations, for ever and ever! Amen." **Ephesians 3:20-21**

III. Execution:

*"Then Jesus came to them and said, 'All authority in heaven and on earth has been given to me. Therefore go and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, and teaching them to obey everything I have commanded you. And surely I am with you always, to the very end of the age.'" **Matthew 28:18-20***

"We are therefore Christ's ambassadors, as though God were making his appeal through us. We implore you on Christ's behalf: Be reconciled to God." **2 Corinthians 5:20**

SOUTH TEXAS BORDER: As a result of the US-Mexico border crisis, many South Texas towns are facing limited resources along with an influx of people seeking asylum. We are excited to announce that teams from CBC are now traveling to various border cities on a quarterly basis to work with churches and ministries who are using various resources to lift the disadvantaged out of their current circumstances. Assistance opportunities include performing home repairs, light construction, engaging in evangelism & outreach, stocking food pantries, and more. The goal of these weekend mission trips is to not only meet basic needs, but also to bring the hope of Jesus to many South Texans living in poverty. To learn more about all of the opportunities available through CBC, visit the tables in the lobby during all services this weekend or check out stm.cbc.global.
