

FAMILY DISCIPLESHIP GUIDE

March 12th & 13th

We hope you get some much needed and intentional family time over this Spring Break. Parents, it has been awesome to hear the success stories from some of you who have implemented this guide into your family rhythm. We continue to pray for you as a church and as a student ministry as you do the most important work of leading your family spiritually.

If you're new to this guide, the goal here is to provide you a template for conversation around the dinner table or whenever you have spiritual conversations as a family and to breakdown Pastor Ed's message in a way that leads to action.

This Week's Message: "God Goggles"

This week we are unpacking a powerful encounter Elisha had with God and his angels. We are reminded that when the natural seems overwhelming, we must change perspectives to see things in the supernatural.

Celebrate: Have some fun!

- What is something you saw this week that made you smile?

Accountability: Let's follow up from last week.

- What is a situation from last week where you put God on display?

Listen: What does God's Word say?

- Read 2 Kings 6:8-23 out loud together as a family.
- What stands out to you about God in this passage?
- What stands out to you about people in this passage?

Live It Out: What is God saying to me?

- Live It Out: What is God saying to me?
- What do you think God wants to say to you from this passage?
- How can you practically live that out this week?

Equip: Take it further.

- For further reflection on the strength and power of God, read Psalm 91.
