

# FAMILY DISCIPLESHIP GUIDE

## April 9th + 10th

In Jesus Name has already been such a powerful sermon series for our church. This week's message is so important because it will help us understand the person and purpose of the Holy Spirit more clearly. Pastor Ed's sermon will help us see how we can continue to live life with heavenly purpose, and our hope is that this guide will help you do that as a family!

### **This Week's Message: "Behold the Dove"**

The focus of this week's message is to help us experience for ourselves the person of the Holy Spirit in our daily lives.

### **Celebrate: Have some fun!**

- What was the highlight of your week?

### **Accountability: Let's follow up from last week.**

- Were you able to have a gospel conversation with somebody this week? If so, how did it go?

### **Listen: What does God's Word say?**

- Read Luke 4:1-14 out loud together as a family.
- What stands out to you from these verses?
- From Pastor Ed's sermon, what are the four roles of the Holy Spirit in our lives?  
*He saves, seals, sanctifies and strengthens.*
- How does it make you feel knowing that as Christians, we have the same power (through the Holy Spirit) inside of us that Jesus had inside of Him?

### **Live It Out: What is God saying to me?**

- What is one practical way that you can live out your faith this week? Have each person take a moment to answer what their step is for the week.

### **Equip: Take it further.**

- Invite somebody to an Easter service this week using our Good News boxes and Easter invitation cards.
