

FAMILY DISCIPLESHIP GUIDE

April 23rd & 24th

We had an incredible Easter at CBC this year! It was such a blessing to worship our RISEN SAVIOR together and see so many people put their faith in Jesus for the very first time. We can't wait to see what God has planned for our church in the days and months following such a powerful weekend.

If this is your first ever experience with the Family Discipleship Guide, the goal here is to provide you a template for conversation around the dinner table or whenever you have spiritual conversations as a family and to breakdown Pastor Ed's message in a way that leads to action.

This Week's Message: "Monday Is Coming"

The focus of this week's message is to help us understand how to respond when we are faced with the doubt and difficulty that life throws at us following Easter.

Celebrate: Have some fun!

- What is one way you have seen God move this week?

Accountability: Let's follow up from last week.

- Last week we talked about finding one thing in our life that needed to look different as we follow Jesus. How did your life look more like the life of Jesus this week?

Listen: What does God's Word say?

- Read Luke Matthew 11:4-6 as a family.
- What stands out to you from these verses?
- What are some ways you can fight doubt in your life? Talk to someone you trust about it, prayer, reading Scripture, asking other people how they have seen God move in their life, etc...
- What is one takeaway you had from Pastor Ed's sermon?

Live It Out: What is God saying to me?

- What is one way you can strengthen your faith this week?
-

Equip: Take it further.

- Talk with somebody about how they have dealt with doubt in their life, and how their faith was strengthened on the other side of the doubt.
