# MOTHER'S DAY

## Foster Awareness Month

This Mother's Day, during Foster Awareness Month, we want to honor and show love to all of our foster and kinship mothers in our CBC family! There are over 3,500 children in the foster care system in San Antonio and surrounding areas, and statistics show us that high percentages of children who have been in the foster care system end up in prison, exploited, or homeless when they are not in safe and supported homes. Our goal as a church is to help solve this problem by addressing it at it's roots. Not everyone is called to be a foster parent, but we are all called to fulfill the biblical commission to care for children and families impacted by the foster care system. This weekend, we are joined by the South Texas Alliance for Orphans, Child Advocates of San Antonio (CASA) and Grandparents Raising Grandkids in the Main Lobby. Stop by to learn more about the crisis and what role YOU can play to prevent family breakdown, provide needed support, or protect hurting children and families. You can also email [cbc.fosteradopt@gmail.com](mailto:cbc.fosteradopt@gmail.com) for more or visit [communitybible.com/foster](http://communitybible.com/foster). \*\*If you are a current foster parent, please stop by the Main Lobby for a small gift!\*\*
