

FAMILY DISCIPLESHIP GUIDE

July 30th & 31st

LOVE SATX was an incredible week! We loved serving alongside some of y'all at the SA Hope Center, and loved seeing all the pictures and hearing stories of our students serving across our city all week. We are so thankful for a church family focused on serving and loving our beautiful city.

If this is your first ever experience with the Family Discipleship Guide, the goal here is to provide you a template for conversation around the dinner table or whenever you have spiritual conversations as a family and to breakdown the message in a way that leads to action and obedience.

This Week's Message: "Full House"

This week we continue our *Minor Prophets* series by looking at the book of Haggai. Pastor Ed teaches us that so often we view service to God as sacrifice when in reality it is what will bring us the most satisfaction.

Celebrate: Have some fun!

- Take a walk as a family either at the local park or in your neighborhood. Along the way, have each person share one thing they are thankful for.

Accountability: Let's follow up from last week.

- What was one way you served somebody/showed somebody the love of Jesus this week?
- If you can't think of anything in particular, what is one way you can that this upcoming week?

Listen: What does God's Word say?

- Take 5 minutes to watch this video. The Bible Project is incredibly helpful to understand the big picture of Haggai! Watch the video [here](#).
- What stands out to you about God from this weekend's message and/or this video?
- What stands out to you about people/humanity from the message and/or the video?
- What is God telling you personally from the book of Haggai?
- We all seek satisfaction in life. What are some ways you seek satisfaction in ways other than in God, and how can you find more satisfaction in your relationship with God?

Live It Out: What is God saying to me?

- What are you going to do about it? Take what you learned about God and yourself and share something simple you can do this week to practice obedience in that area.

Equip: Take it further.

- Serve your parent or guardian this week. Get them a cup of coffee, write them a letter, etc. Show them some love and thankfulness in a special way this week.
