

FAMILY DISCIPLESHIP GUIDE

September 3rd & 4th

We are continuing some important conversations around culturally trending topics. Parents, these are conversations that we must have with our kids because they are already being taught by culture and peers. Our prayer is that this sermon series truly is a resource to equip you in these conversations with biblical truth and compassion.

The goal of the *Family Discipleship Guide* is to provide you a template for conversation around the dinner table, in the car, or wherever you have spiritual conversations as a family and to breakdown the message in a way that leads to healthy discipleship and formation in your family.

This Week's Message: "Kingdom People"

Our goal as believers is to love everyone because each person is made in the image of God.

Listen: What does God's Word say?

- How is race talked about amongst the people you are around on a daily basis (i.e., school, friends, social media)?
- What implications can we draw from the fact that humanity is "made in God's image?"
- How do you see sin distorting God's original design for unity in our world today?

Live It Out: What is God saying to me?

- How can you as a family strive to model unity in very divisive world?
