

FAMILY DISCIPLESHIP GUIDE

October 29th & 30th

As a student ministry, we want to champion *every parent* to be the good news of Jesus to their kids on a daily basis in your home.

The goal of the *Family Discipleship Guide* is to provide you a template for conversation around the dinner table, in the car, or wherever you have spiritual conversations as a family that leads to healthy discipleship in your family.

This Week's Message: "The Have's + Have Not's"

This week we continue where we left off in 1 John. It's been refreshing hearing some of the wins parents have shared about how these conversations are going in your home!

In the sermon this weekend, we look at the question, *Is following Jesus really worth it?* We find that what you have *with Christ* will always be worth more than what you have *without Christ*.

Celebrate: Let's Have Some Fun!

- Brag on someone else. What is one way this week you felt encouraged or loved by someone else in your family?

Listen: What does God's Word say?

- What stood out to you overall from Pastor Ed's message?
- Read 1 John 2:28-3:10.
- How often do you think about Jesus coming back (his 2nd coming)?
- How does reflecting on the cross of Jesus affect the way you view sin?
- What convicts or challenges you from these verses?

Live It Out: What is God saying to me?

- What will you do about it this week? Share a practical action step with your family that they can hold you accountable to do.
