

# FAMILY DISCIPLESHIP GUIDE

## November 19th & 20th

As a student ministry, we want to champion *every parent* to be the good news of Jesus to their kids on a daily basis in your home.

The goal of the *Family Discipleship Guide* is to provide you a template for conversation around the dinner table, in the car, or wherever you have spiritual conversations as a family that leads to healthy discipleship in your family.

## This Week's Message: "Proof Positive"

This week we continue where we left off in 1 John 5:1-12. Parents, your student ministry team is praying for you as you head into Thanksgiving break! We pray you have meaningful time as a family and intentional, life-giving conversations.

In the sermon this weekend, we look at the power of your testimony and how God can use that in another person's spiritual journey.

## Celebrate: Let's Have Some Fun!

- What is your favorite tradition as a family for Thanksgiving?
- Is there a new tradition that you want to start this year?

## Listen: What does God's Word say?

- Read 1 John 5:1-12.
- What is the main thing that stood out to you from the passage or message?
- What is the connection between love and God's commandments?
- Based on this passage, how can/does our love for God grow/increase?
- If you had 20 seconds to tell someone about what God has done for you, how would you do it? Practice giving a 20 second testimony to each other.

## Live It Out: What is God saying to me?

- How can you pursue God this week with the extra time you have on break?
- Consider following along in our student ministry Bible reading plan!
