

FAMILY DISCIPLESHIP GUIDE

November 5th & 6th

As a student ministry, we want to champion *every parent* to be the good news of Jesus to their kids on a daily basis in your home.

The goal of the *Family Discipleship Guide* is to provide you a template for conversation around the dinner table, in the car, or wherever you have spiritual conversations as a family that leads to healthy discipleship in your family.

This Week's Message: "Love Wins"

This week we continue where we left off in 1 John 3:11-24. It's been refreshing hearing some of the wins parents have shared about how these conversations are going in your home!

In the sermon this weekend, we look at the question, *How do we know that we belong to Jesus?* This passage teaches us that it has everything to do with how we love.

Celebrate: Let's Have Some Fun!

- What is one way you felt loved by someone in your family this past week? Try to think of something small that they did that they might not realize.

Listen: What does God's Word say?

- Read 1 John 3:11-24.
- How do these verses show love is a continuous verb, not just a word?
- What is the significance of Cain in comparison to Christian love?
- Read verse 16. How does preaching the gospel to yourself help you show more grace each day?
- Read verse 17. What situation does God put on your heart to love someone else when you think on these words?

Live It Out: What is God saying to me?

- What will you do about it this week? Share a practical action step with your family that they can hold you accountable to do.
